

# **Richard B. Russell Courthouse**

## **Temporary Plaza Level Entrance During Construction**

**\*\* Effective June 11, 2007 \*\***

**As you may or may not be aware the Richard B. Russell Courthouse is undergoing a major renovation. We have been informed by the Regional Administrator of the General Services Administration that beginning June 11, 2007, access to the new Plaza level entrance will be restricted to three areas. On the Mitchell Street side of the building there will be two sets of stairs and on the Russell Plaza SW Street side there will be a handicapped accessible ramp which will lead you to the new entrance which faces the Spring Street side of the building.**

**W. Yvonne Evans,  
Clerk of Court**
